REMEMBER

- Dual Enrollment Students are allowed 1 withdrawal to maintain eligibility.
- DROP allows students to remove courses from their schedule without penalty if they do so prior to the drop deadline.
- WITHDRAWALS remain on the student's college transcript and count against their withdrawal allotment for Dual Enrollment participation.
- Protecting the student's college GPA is extremely important
- Students should have a plan for DE coursework that aligns with their post-secondary goals

FAQ'S

- **Can I satisfy all of my HS Requirements in DE?**

- Most high school requirements can be satisfied, with the exception of Algebra 1, Geometry and the Physical Education Requirement.

- **Does it help a student get admission to UF/UCF if they take DE there?**

- No. Where a student takes DE coursework has no bearing on their college admission opportunity.

- **If I continue at Valencia after graduating from high school, do I have to re-apply?**

- No, but students will be required to submit the following: FAFSA, Florida residency forms, and a final official high school transcript with your graduation date by the appropriate deadlines in order to register for courses as a degree-seeking student.

SCHEDULING

dos

DO...

- **TAKE 5 ACADEMIC SUBJECTS EVERY YEAR**

- *"Students who want to be competitive with selective and highly selective colleges should take five solid academic subjects a year in English, math, social studies, science and foreign language." (Princeton Review)*

- **MATH + ENGLISH ALL 4 YEARS**

- "Students who take math in each year of high school are far more successful in college than students taking only three years." (NACAC)
- 63% of 2023 FSU EA admits had some form of "Advanced Math" coursework. 12% increase FY 2023

- **FOREIGN LANGUAGE**

- At least 2 years of **sequential** language
 - More than just 2 years, choose other FL
- FSU 2023 average = 3.5 years
- Dual Enrollment sequencing conflict

SCHEDULING *don'ts*

DON'T....

- **Move from AP/DE to Hon/Regular**
 - Why would a student take college level English and then 10th grade English?
 - Exceptions/changes will need to be explained on applications.
- **Drop Academic Elective to General** (PE, art, etc.)
- **Drop a Core Course because the Student has Met a Graduation Requirement.**
- **DE: AA Degree MUST Align with Post Secondary Goals - This is not a race!**
